Your best investment — a good night's sleep.

Most people spend a third of their life in bed. For that reason alone, it's important to ensure your bed is as comfortable as possible. That's why an adjustable bed is one of the best investments you can make. After all, a good night's sleep can enrich your life in many ways, improving your mood, flexibility, coordination, and energy level.

Pillow-Tilt Technology. It came to us while we were sleeping.

Ultramatic beds are the most advanced adjustable beds. Our exclusive Pillow-Tilt Technology ensures your neck and spine are always in a natural position, whether you're sleeping, reading, working or watching TV. You get the ultimate comfort and the perfect sleep.
