

Call now for a free, no obligation, in-home consultation

Because Ultramatic adjustable beds are designed to fit your individual needs, they are only available through our team of friendly, professional, in-home consultants. By assessing your needs right in your home, your Ultramatic consultant can recommend the right bed and accessories to ensure years of comfortable, healthful sleep. As thousands of satisfied customers will tell you, there is no better way to choose Canada's best adjustable bed.

Call today to arrange a no obligation, no pressure in-home consultation. Not available in any store.

"We would like to take this opportunity to thank the Ultramatic in-home consultant for his time and expertise. Everything asked of him was answered fully... The delivery men were very careful and efficient. Our thanks to them for a job well done."

- Marion K., Blackstock, ON

Ultramatic[®]
bringing comfort home

Ultramatic offers you more sizes to select from than most manufacturers.

Choose from:

Singles – 38" x 74" or 38" x 80"

Doubles – 54" x 74" or 54" x 80"

Full Queen – 60" x 80"

Dual Queen – 2 (32" x 80")

Dual King – 2 (38" x 74")
or 2 (38" x 80")

Can attach to any standard existing headboard.

Wireless remote control with large glow in the dark buttons lets you operate all Ultramatic features with the touch of a finger.

An optional warm and cozy topper keeps you cool in the summer and warm in the winter.

Ultramatic offers a wide variety of mattress styles—including reversible mattresses that are soft and plush on one side and orthopedic firm on the other.

Two individually controlled variable speed massage systems (one for your legs and one for your back) integrated into each bed foundation.

Lifetime frame is welded steel to increase strength and prevent rattles and creaks.

Two heavy duty high quality motors in each bed designed to raise your upper and/or lower body.

A safety stop mechanism protects you and your bed when foreign objects interfere with the bed's mechanisms.

Each bed comes with an extended warranty backed by our extensive parts inventory and commitment to service.

Deluxe locking casters let you easily roll the bed where you want it.

Ultramatic *for comfort*

Ultramatic[®]
bringing comfort home

Ultramatic is loaded with features that make lying down one of the day's most appealing activities. Relieve stress and muscle tension with Ultramatic's Waterless Whirlpool Massage, which uses wavelike motions to relieve aches and pains and produce deep muscle relaxation.

Use your Ultramatic remote control to quickly and quietly adjust your position for reading, watching television, snacking and sleeping. Ultramatic bends where you bend and supports you where you need it. You have 1001 comfortable positions to choose from.

Ultramatic offers a wide variety of mattress styles — including reversible mattresses that are orthopedic firm on one side and ultra plush on the other. Either way, our custom fitted natural topper buffers pressure areas and keeps you warm in the winter and cool in the summer.

"From the very first night that I have slept on this bed, it has been heavenly. I get a great night sleep and it is also great for sitting up to read and watch T.V.. It's a dream come true."

– Marie A., Moncton, NB
